Subject: John Daum Passing and Funeral Service

We, John Daum's children, are using our mother's email account to let his friends and family know that John died this Tuesday morning, December 13, and to invite you to his funeral service and reception. As many of you know, our father was diagnosed last spring with a severe form of leukemia. Although he received excellent treatment at UCLA, his body was weakened to the point that it was no longer able to fight off infection. He displayed remarkable calm, grace, and thoughtfulness throughout his illness. He was prepared to face death, and did not suffer unduly at the end.

This is not the place to provide a full description of our father's life and work: 40 years as one of the leading trial and appellate litigators in Los Angeles, a leader of O'Melveny and Myers, a faithful leader of St. James Episcopal Church, and a man devoted to his family. More than his resume, his singular style, intellect, curiosity and decency will, we think, remain in people's memory. It was not unusual for those who encountered him to describe our father as "the smartest person I ever met." That is perhaps not surprising for a man who could read (at least) 10 languages and whose leisure activity included translating Homer from the Greek. More than this, he was also a hilarious, wry wit; a romantic who loved poetry; a tireless advocate for women lawyers and *pro bono* legal advocacy; and a man of an old-fashioned elegance and kindness. He was also, most importantly for his family, a dedicated and loving husband and father.

The funeral service will be held on Tuesday, December 20, 2016 at 11:00 a.m., at St. James Episcopal Church, 3903 Wilshire Blvd., Los Angeles, CA 90010. We hope to see as many of you as possible there. A brief reception will follow the service. In lieu of flowers, please consider a donation in John's name either to St. James Episcopal Church, at <http://stjla.org/>, or to the UCLA Jonsson Comprehensive Cancer Center, found at www.cancer.ucla.edu/donate.

We undoubtedly have not reached all of our father's friends with this message. If you know of someone who would like to be at the funeral service, please let them know the information above, and that they are welcome to attend.

With love and appreciation for your friendship to our father,
Nicholas and Margaret Daum

Boss -

You asked for a list of attendees for our holiday gathering, which is now scheduled for Wednesday, December 14th. After some further discussion and deliberation, we thought having a small gathering in the SF office next week would be really nice. We'll serve cookies, other sweets, hot cider, etc., and play Holiday music while we take a moment to spend time together before the year ends. It will allow you to say a few words to the exec staff and for us to share our best times and memories with you in the office.

The list of people who will be invited is below - all exec staff and exec support staff. Please let me know if you want anyone else added to the list.

Since we're up against the clock with organizing and getting the word out, I'd like to send out the invite first thing, 8:00 AM, tomorrow morning.

Thank you,

Venus
